LOURMARIN – SWEET PROVENCE

LE MOULIN

Avenue du Temple - 84160 Lourmarin

✈ Marseille airport (55mn / 60 km)

🚆 Aix en Provence TGV station (45mn / 55 km)

Lourmarin, a charming village in Luberon, in the heart of vineyards, olive and almond trees.

Labelled «one of the most beautiful villages in France», Lourmarin is very lively in the summer when you can enjoy the coolness of its ancient stones and the shade of its large trees on the terrace of the cafés and restaurants.

Festivals, concerts and markets are all on offer throughout the year. On the outskirts of the village, its 15th century castle is worth a visit for its curious staircases and its beautifully furnished flats.

The village is ideally situated at the gateway to Bonnieux and the hilltop villages of Luberon for which the Natural Park offers several walking and hiking trails.
